

Dancing Through the Dreamtime of Self
A Woman's Sacred Journey
&
A Passage Into Self

THE CALL: *Come join me on this journey to the hidden universe within
Let heart and soul be one as this adventure does begin
There is no separation as we cross the invisible line
And join with all others in the sacred space called Dreamtime.*

THE JOURNEY: *This dreamtime space is illusive – it lies a little to the west
Of where hopes and dreams are one – the place of ancient quest
It belongs to worlds uncharted by human thought and mind
A place beyond the boundaries of daily life and mortal time.*

We will journey to our personal dreamtime space – to discover the hidden universe that lies within each of us.

As we learn about the language of our dreams – we will begin to recognize symbols; learn to interpret our symbols, and practice ways of bringing our dreaming universe into our waking world. This is a daylong workshop. Wear comfortable clothing and bring a blanket or mat, shawl, small pillow, and an eye cover.

This seminar is for all men and women who want to develop a deeper sense of self and an understanding of their inner mystery.
